

6.5" Two-Way All-Weather Loudspeaker

AW-650

The Klipsch AW-650 all-weather loudspeaker was designed for customers who expect great sound in the great outdoors. Upholding the same high-quality standards as our indoor products, this full-range model delivers a level of performance that's like nothing you've heard in an outdoor speaker before.

Featuring a 6.5-inch IMG woofer, 1-inch titanium dome tweeter mated to a square Tractrix® Horn, durable UV-resistant enclosure, non-corrosive grille, easy draining input cup, heavy gauge zinc C-bracket and a 3/8"-16 threaded insert, the AW-650 can be mounted almost anywhere and still deliver clean, clear and dynamic performances.

Whether you want to enjoy your favorite music by the pool, on the patio or in your yard, the AW-650 has what it takes to put you in a state somewhere between utter disbelief and sheer joy.

- Paintable UV-resistant ABS enclosure with rustproof aluminum grille
- High sensitivity and power handling
- 90° x 90° Tractrix Horn tweeter for clean, clear highs
- Supplied with C-style mounting bracket and stainless steel hardware
- 3/8"-16 threaded insert for optional mounts
